

PRATHAM BULBULE

B.Tech – Electronics & Telecommunication Engineering (ENTC)

8390049852 | prathambulbule@gmail.com | Sanjay Gandhi Ward, Maine Road, Bhandara, Maharashtra

PROFESSIONAL SUMMARY

Motivated and detail-oriented B.Tech ENTC student with hands-on experience in Software Testing, Web Application Testing, Playwright Automation, Git, and GitHub. Experienced in testing web and mobile applications, identifying and documenting bugs, creating automated test cases, and working with GitHub repositories. Familiar with C Programming and modern software testing practices.

TECHNICAL SKILLS

Programming: C, TypeScript

Automation: Playwright

Testing: Manual Testing, Functional Testing, Web Application Testing, Mobile App Testing

Bug Tracking: GitHub Issues

Version Control: Git, GitHub

Tools: VS Code, Node.js, npm

WORK EXPERIENCE

Software Testing & QA — CoupleCal Project

QA / Testing & Playwright Automation

- Performed functional testing of the CoupleCal web application.
- Tested modules including Homepage, Tasks, Settings, Family, Calendar, Google Calendar, and Voice Assistant.
- Created and executed automated test cases using Playwright with TypeScript.
- Identified and reported bugs with reproduction details through GitHub Issues.
- Performed testing on web, Android, and iOS application builds.
- Used Git and GitHub for repository management and collaboration.
- Debugged failed automation tests using logs, URLs, locators, and Playwright reports.
- Executed Playwright test suites and verified successful test execution.

PLAYWRIGHT AUTOMATION PROJECT

CoupleCal Web Application — Automated Testing

Technologies: Playwright, TypeScript, Node.js, Git, GitHub

- Created Playwright test configuration and test structure.
- Developed automated test files for multiple application modules.
- Automated login, navigation, form interaction, and feature validation flows.
- Worked on Tasks, Settings, Family, Calendar, Google Calendar, and Voice Assistant automation.
- Analysed failures including timeouts, locator issues, URL mismatches, and application-side errors.
- Generated and reviewed Playwright HTML test reports.

CERTIFICATIONS

- Product Engineering 2.0 — Certificate of Completion
- C Programming
- AI/ML – Zero to Production
- Gen AI Certification
- Bootcamp 2.0

EDUCATION

Bachelor of Technology (B.Tech) — Electronics & Telecommunication Engineering (ENTC)

Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU)

KEY STRENGTHS

Quick learner • Problem-solving • Attention to detail • Debugging • Team collaboration • Willingness to learn

CAREER OBJECTIVE

To start a professional career in Software Testing / Quality Assurance / Test Automation and apply knowledge of Playwright, Git, GitHub, and software testing while continuously improving technical and problem-solving skills.
